

01

Card 1: Free skins

A video in your feed says you can get any game skin free by going to a website and typing your login.

What is the red flag, and what do you do?

02

Card 2: Big winner

While you do homework, a pop-up says you won a gift card and need to enter your name and address in 2 minutes.

What is the red flag, and what do you do?

03

Card 3: Is this you?

Your friend's account sends you "LOL is this you?" with a link. Your friend never types LOL.

What do you do?

04

Card 4: The code

Someone in a game says they work for the game company and need the code sent to your phone to give you a reward.

What do you do?

05

Card 5: Agent name quiz

A quiz says your spy name is your pet's name plus your street name. Everyone is posting theirs.

Should you post yours?

06

Card 6: Shark on the highway

A friend shows you a picture of a shark swimming down a flooded highway near your town. It looks real.

How can you check?

07

Card 7: Secret chat

A player who is nice to you says, "Let's talk on another app. Don't tell your parents."

What do you do?

08

Card 8: Free currency card

Someone in a game offers you free game currency if you send them a picture of a gift card from your family.

What do you do?

09

Card 9: Oops, I clicked

You clicked a free-gems link and typed your password. Now you feel worried.

What do you do now?

10

Card 10: Message from the school?

A message says it is from your school and asks you to log in on a new website to see a surprise.

What do you do?

11

Card 11: Teacher's voice?

You get a voice message that sounds like your teacher asking you to send your password to fix your account.

What do you do?

12

Card 12: Real or not?

Your class reading app shows a new badge and a message from your teacher that you've seen before.

Is this a trick?
